RE: Material Discounts

Jim,

A Lindberg & Sons is offering a ten percent discount on all materials sold at our CR480 and CR510 locations to any current member of the Dead River Campers group. This discount is for material only, and it must be purchased directly from A Lindberg & Sons by the member. No discounts are available to third parties. We have trucks available for material delivery, and this can be scheduled by contacting our CR480 Pit at (906)249-1815. If a member is utilizing a third party to deliver material, they must pay for the material prior to it being picked up at the pit. A current price list is attached.

I trust this clarifies any confusion regarding the discount program.

Regards,

Brad Crimmins
